FOR IMMEDIATE RELEASE

WELCOME HOME CARL COTTO!

Carl Cotto joins Dejavoo Systems as an Account Manager supporting the sales team. Returning to his Lipman family Carl will be managing key account relationships for Dejavoo.

"Finding myself working once again with Mony Zenou, Michael Grossman and the entire Dejavoo family is a feeling of excitement and familiarity, I'm finally back where I belong. The Dejavoo product line

offers a unique Value Added full service package and I am anxious to reach out to my entire client base." Says Carl about being back with his former Lipman Team.

No stranger to the Dejavoo team, Carl previously worked for Lipman USA as a Sales Executive from 1993 - 2007. He is accredited with increasing distribution sales in excess of 20MM in annual sales through his relationship and successful support delivery to TASQ Technology. Recognized in Carl's success is his dedicated client support effort including training and delivery of new products and services. Dejavoo delivers thorough training and support initiatives for all levels within an organization. Offering customized onsite as well as web based training programs Dejavoo trains hundreds of sales personnel monthly thus increasing ISO revenues through Value Added Services.

Happy to see the return of yet another Lipman family member, Mony Zenou founder, President and CEO of Dejavoo Systems welcomes Carl to the team. "Having another member of my original Lipman team, Carl Cotto, back home and working under the direction of Michael Grossman, is a Dejavoo of the best kind. Carl's role as Account Manager will be key to management and support of Dejavoo clients. He will be integral in building strong and loyal relationships with our existing as well as future clients." Said Mony Zenou.

About Dejavoo Systems: Smart Solutions for Intelligent Companies TM

Dejavoo Systems is a US and Latin American-based value added reseller and a developer of next generation point-of-sale (POS) devices targeting desk top and handheld wireless POS terminals and secure applications, related programs, systems and services. Dejavoo considers transaction switching and processing as its core and necessary components and a natural extension of its products to provide customers an improved cost of ownership, increase their revenues and their ability to add value to their patrons.

Dejavoo Systems is a comprehensive, end-to-end electronic payment provider built on 15 years experience of its management in the Western Hemisphere territory. Our unrivaled and on-going connectivity enables our customers to rethink transactions for today and be innovative with tomorrow's technology.

Dejavoo Systems is headquartered at 1 Linden Place, Suite 411, Great Neck, NY 11021. For more information about Dejavoo Systems, visit www.dejavoo.com or call 516.439.4242.
